About matsc-2021

Introducing an International Webinar on "Materials Science Virtual 2021" on May 18-19, 2021 with the topic "A powerful way to deal, improve and figure Molecules, Materials and Medicines". It offers an exceptional occasion to meet and make new contacts with worldwide specialists who are in the know regarding the most recent improvements in the Materials field and give data on new procedures and advancements.

After cautiously noticing the ongoing improvements around the globe and the danger of the Covid - 19 pandemic, we have chosen to lead the event as a Webinar by thinking about the participants security.

We invite you to join our virtual event to share and pick up information on Minerals, Metallurgy and Materials!!!

Benefits of Joining Webinar:

- Get Certified for your participation
- Reduced Costs \ Affordability
- Knock Down Geographical Barriers
- Convenience from comfort of your own home or from work
- Great resource for learning new career skills
- Learn from the Pros
- Global exposure to your research
- Make new connections
- Significant time saving
- Increased engagement
- Wider Reach
- More Engaging
- Position yourself as the expert
